---

1. I'll give you a little advice on the subject.
2. This was a matter of a few minutes.
3. It was with no little pride that we stepped on deck.
4. I had little time to think of myself.
5. You will get a little air from the water.
6. But she paid little attention to it.
7. They walked in silence for a few minutes.
8. He was a few feet below me.
9. We attach little weight to these gloomy views.
10. They're only after a little fun.
11. There was little work doing in the house.
12. We watched the proceedings of the pirate with no little anxiety.
13. There is little great poetry in the play.
14. I had a little business to bring me this way.
15. You've told us a little truth already.
16. Let me give a little attention to this idea.
17. He is going away in a few days.
18. Very little money was seen in camp.
19. In the morning our little strength was gone.
20. Are you still warm, little love?
