- c) Never before has such a detailed analysis been presented at the conference.
- d) Never such a detailed analysis before has been presented at the conference.

**7. Which adverb of frequency fits best in the sentence?**

The marketing team's campaigns \_\_\_\_\_ reflect their ability to understand customer behavior and adapt strategies accordingly.

- a) invariably
- b) rarely
- c) occasionally
- d) inconsistently

**8. Choose the best option:**

The marketing executive is one to \_\_\_\_\_ take feedback lightly, almost insisting that divergent opinions be thoroughly scrutinized before integrating actionable suggestions.

- a) sometimes
- b) frequented by
- c) at intervals
- d) seldom

**9. Choose the sentence with the correct word order:**

- a) Rarely the committee has approved proposals without detailed discussion.
- b) Rarely approved the committee has proposals without detailed discussion.
- c) Rarely has the committee approved proposals without detailed discussion.
- d) Has rarely the committee approved proposals without detailed discussion.

**10. Fill the gap with the best adverbial collocation:**

The committee members had to be \_\_\_\_\_ cautious in their deliberations, as errors almost invariably led to public scrutiny.

- a) at times
- b) previously
- c) sporadically
- d) unfailingly

**11. Choose the best option to complete the sentence:**

Given the complexity of the negotiations, the mediator \_\_\_\_\_ clarifies misunderstandings before moving forward.

- a) sporadically
- b) seldom
- c) never
- d) frequently

**12. Which of the following best completes the sentence?**

Though the committee meetings are lengthy, substantial breakthroughs \_\_\_\_\_ occur, leaving members somewhat disillusioned by the repetitive discussions.

- a) periodically
- b) intermittently
- c) rarely
- d) frequently

**13. Fill in the blank with the correct adverb of frequency:**

Even in times of crisis, she \_\_\_\_\_ maintains her optimistic outlook, inspiring others to do the same.

- a) occasionally
- b) seldom
- c) frequently
- d) consistently

**14. Which adverb of frequency is closest in meaning to the underlined word?**

"She habitually checks her emails first thing in the morning."

- a) Often
- b) Seldom
- c) Occasionally
- d) Never

15. **Choose the sentence that uses multiple adverbs of frequency correctly:**
